

LOVE SHINE A LIGHT

Love shine a light in every corner of my heart
Let the love light carry, let the love light carry
Light up the magic in every little part
Let our love shine a light in every corner of our hearts

Love shine a light in every corner of my dream
Let the love light carry, let the love light carry
Like the mighty river flowin' from the stream
Let our love shine a light in every corner of our dream

**And we're all gonna shine a light together
All shine a light to light the way (shine to light the way)
Brothers and sisters in every little part
Let our love shine a light in every corner of our hearts**

Love shine a light in every corner of the world
Let the love light carry let the love light carry
Light up the magic for every boy and girl
Let our love shine a light in every corner of the world
